

Hendersonville Housing Authority “Big Item Pickup”

This is a service offered to residents who may not have the resources to haul away unneeded or broken items. For a small fee, HHA will help residents with a pickup service

One day each month will be announced as “Big Item Pickup Day” so residents who have large items that need picked up and taken to the dump can have an opportunity to have these items hauled away. HHA will provide this service. We ask that residents have the items out to the curb on that day by 7:30 AM. Residents must call ahead of the pickup date and get scheduled. Cost of the pickup will depend on the number and size of the items. Charges for the haul away will be billed to your account.

Please call the HHA main number at 828-692-6175 and leave your request on the workorder line, which is extension 2.

If making a request by phone:

- Give your name and address with phone number
- Description of the items to be picked up
